Statement of Copyright Transfer

To: Editor-in-chief of *Annals of Clinical Neurophysiology (ACN)*

Title of submitted manuscript: _____

I am hereby submitting the manuscript entitled as above for publication in ACN with the following assertions:

- This manuscript is original, and has no problems with copyright, defamation, or privacy intrusion. Any legal or ethical damage caused by this manuscript should not be attributed to *ACN*.
- All of the listed authors have contributed to this manuscript intellectually and have equal responsibility for the manuscript.
- This manuscript has not been published and is not currently being considered for publication in any other scientific journal. It will not be submitted to another journal without permission from the editor-in-chief of ACN if it is accepted for publication in this journal.
- The copyright of this manuscript shall be transferred to ACN if it is published in this journal. This means that if any persons (including the authors) want to use the contents of this manuscript in some other way, they need to receive permission from The Korean Society of Clinical Neurophysiology and the source of contents needs to be declared.
